2022	H.S.C. Panchamrut International Public School
2020	S.S.C. Swaminarayan Dham International School (SDIS)

SKILLS

Python | MySQL | Excel | PivotTable | VLOOKUP | Power BI | Communication | Problem Solving

PROJECTS

- **Number Guessing Game** : Technology Used : **Python**
Developed a Python number guessing game with validation, feedback, and scoring.
- **Jewellery Billing System** : Technology Used : **Python**
Developed a Python-based jewellery billing system with cost calculation and bill generation.
- **Movie Ticket Price Calculator** : Technology Used : **Python**
Developed a Python movie ticket price calculator with dynamic pricing.
- **Stone-Paper-Scissors Game** : Technology Used : **Python**
Developed a Python-based Stone-Paper-Scissors game with AI opponent and scoring.
- **Exercise Level Game** : Technology Used : **Python**
Developed a Python-based exercise level game with activity tracking and a scoring system.
- **IPL Tournament Game** : Technology Used : **Python**
Developed a Python-based IPL cricket game with team selection, randomized scoring, and match rules.
- **KBC Quiz Game** : Technology Used : **Python**
Developed a Python-based KBC quiz game with multiple-choice questions, score tracking, and final score display.

- **User file created Filled once user enter data in form :** Technology Used : **Python**
A Python project that creates and stores a user file once data is entered into a form.
- **Ola Taxi Project :** Technology Used : **Sql**
Created an SQL-based Ola taxi system for managing rides, customers, and fares.
- **Flight Delay Analysis :** Technology Used : **Excel**
Created an Excel dashboard for flight delay analysis with data visualization and insights.
- **Analysing Stock Price of Banks :** Technology Used : **Power BI**
Analysing stock price trends of banks using Power BI to visualize historical performance, identify patterns, and gain financial insights.
